

**Risk Management Committee  
June 15, 2019 Report**

The Risk Management Committee remains productive and engaged, with assigned duties including;

- Review of all new member 3<sup>rd</sup> party liability insurance applications
- The Risk Management Committee continues to assist groups with incident reporting and associated procedures.
- The Risk Management Committee has reviewed our own internal Insurance needs and they will be reflected in the proposed budget

**The committee continues to review land use agreements as presented, these have been quite challenging in the last quarter, however, good outcomes continue, through perseverance and good negotiations.**
