

## Seeking a Trails Strategy Coordinating Group Member (Volunteer Position) Community Designate

Deeply passionate about trails in Nova Scotia? The Trails Strategy Coordinating Group (TSCG) is looking for an experienced and collaborative community trails person to join the team. The TSCG is a team of 14 designates from across the sector that meet monthly and help guide the implementation of the provincial Shared Trails Strategy (STS).

They are a collaboration of experienced trail folks, provincial trails users, government departments, municipal staff, First Nations, and members from the community. Together, they learn from each other, discover different approaches, share resources, and build momentum around the STS.

Key priorities include addressing climate change, developing the first provincial trail managers database, streamlining emergency responses, and improving trail safety. Additional information can be found here <https://nstrails.com/trails-strategy/>

### Helpful Qualifications

- Knowledge of the trails community in Nova Scotia.
- Understanding of the *Shared Trails Strategy in Nova Scotia* and its strategic directions.
- A commitment of time - a couple of hours per month for up to a 3 year term.
- Openness/willingness to work in a collaborative and trust building environment.
- Experience with community trail development models and/or values.

How to express interest? Please send a resume and brief one-pager on why this resonates with you and how your role could help the TSCG team.

Send these to: [info@nstrails.com](mailto:info@nstrails.com) with TSCG Community Member in the subject heading.

The TSCG is a team-based approach to leading and supporting change in the trails community. Please feel free to reach out to our Project Manager Paul Shakotko if you have questions: [paulshakotko39@gmail.com](mailto:paulshakotko39@gmail.com).

Deadline to express interest: **March 31, 2026**
